LR 54

I am still concerned about the precedent that we're establishing by this action today.

SENATOR MARVEL: Senator Mills. Senator Mills here?

SENATOR MILLS: Mr. President, members of the Legislature. I certainly am in favor of the resolution itself, of what it does. But as Senator Barnett has told you he introduced LB 24. If you'd want to turn to that bill and look at line 9 and 10 you can see that there is a procedure for any state agency, in this case it happens to be the Game and Parks, to acquire this property through lease, purchase, or other types of acquisition. I think that you probably would like to reconsider your actions on Senator Bereuter's motion to refer this to a committee. I don't think anyone who wants to refer it to a committee has any idea of trying to thwart what Senator Kahle is trying to do. They are only trying to abide by what the statutes presently declare and show as the proper way of providing for purchase of this property. I think that someone should make the motion that Senator Bereuter had made and refer this to committee so that that proper procedure can be done. Again, Senator Kahle and Senator Cope, I'm all in favor of your proposition. But there is a Statute, there is a way to do it. Senator Bereuter was correct, we should reconsider. Mr. President, I would like to defer to Senator Simon.

CLERK: Motion on the desk, Mr. President.

SENATOR MARVEL: Clerk, read the motion.

CLERK: Mr. President, I move to bracket LR 54 until April 15th. Signed, Senator Kahle.

SENATOR MARVEL: Is that a unanimous consent request?

CLERK: Yes.

SENATOR MARVEL: Until when?

CLERK: April 15th.

SENATOR KAHLE: Could I comment at this time?

SENATOR MARVEL: Yes sir.

SENATOR KAHLE: The intention, of course, is to go ahead and let the hearing take place tomorrow morning, but I would like to bring the resolution back, and not the bill necessarily. So we could go back to the resolution after the hearing and save some time. Is this agreeable?

SENATOR MARVEL: Is there any objection to the unanimous consent? Senator Dworak, do you object?

SENATOR DWORAK: Mr. President, I have a question. What hearing is tomorrow? Could somebody answer that question? That seems to be contingent on whether we bracket this bill or not.

SENATOR MARVEL: Are you directing a question to Senator Kahle?
